THE PITTSTON GAS WATER HEATER

Gives abundance of Hot Water

This heater is equipped with a seamless Copper Coil encased in a Cast Iron Housing. The burner is powerful and quick in action. It will heat a 40-gallon boiler.

Automatic Control opens damper in flue when gas is turned on, allowing all poisonous gas fumes to be ventilated into the chimney flue. This prevents any gas fumes from escaping into the kitchen.

The above appliance is designed to fit the following ranges:—No. 24-26 LC-401, No. 24-26 FS-402, No. 4-18-4 LC-389 and No. 4-18-4 FS-390.
